

IOMEGA® STORCENTER™ ix2 NETWORK STORAGE

GIGABIT ETHERNET, 1TB OR 2TB CAPACITY

THE IOMEGA STORCENTER ix2 PROVIDES:

- » EMC's world class storage and security technologies built-in
- » Enhanced data protection
- » Easy set-up and usage
- » Extensive content sharing capabilities
- » Fast and powerful performance
- » Advanced features such as user/group setup, Axis™ security camera and Bluetooth® upload capabilities
- » 1TB and 2TB capacities

THE NEW IOMEGA STORCENTER ix2 NETWORK STORAGE

PROTECT, CONNECT AND SHARE

ENHANCED DATA PROTECTION

Secure your important digital files with built-in award-winning EMC Retrospect backup software for automatic scheduled backups. Plus, prevent against data loss in case of disk drive failure with RAID 1 mirroring.

EASY TO INSTALL AND USE

Simple four-click set-up wizard automatically detects and configures your network settings. Customization tools are also provided for advanced users. Plus, the simple and intuitive user interface makes this product easy for everyone.

EXTENSIVE CONTENT SHARING

The built-in media server turns your storage device into a multimedia hub. Simply store and organize your content on the StorCenter ix2, then listen, view and access your files, videos, photos and music from any compatible devices on your network. Plus, share files amongst networked PC, Mac®, or Linux® computers.

FAST AND POWERFUL

High performance 400MHz processor, 128MB memory, 7200 SATA II drives (2) and GbE connectivity.

HIGHLY EFFECTIVE DATA PROTECTION AND SHARING

Iomega® StorCenter™ ix2 Network Storage offers advanced security, storage and content sharing in an easy-to-use product ideal for small networks. Iomega is now an EMC company - bringing EMC's leadership in enterprise data protection and security to our customers! Iomega products with EMC software provide the ultimate in data protection, storage and ease of use.

Enhanced Data Protection

- » Secure data with **EMC Retrospect®** backup software for scheduled automatic backups and centralized reporting to confirm backups are complete.

- » For additional data protection, enjoy **MozyHome Online Backup service** for connected PC & Mac computers via optional download. 2GB free or upgrade to unlimited online for \$4.95/month.
- » Prevent against data loss in case of disk drive failure with **RAID 1** mirroring.
- » Proven **RSA encryption** technology protects your data from hackers during installs and upgrades.

The Security Division of EMC

Easy to Install and Use

- » Simple four-click **set-up wizard** automatically detects and configures your network settings.
- » Tools also provided for advanced users to customize settings.
- » Simple and intuitive user interface makes this product easy to use for all.
- » Conveniently manage all features and setup from one central location.
- » Choose your language! The simple interface is localized in **11 languages** (English, Spanish, Portuguese, French, Italian, Japanese, Korean, Traditional and Simple Chinese, German, Russian).
- » **Print server** capabilities allow you to conveniently share two printers.

Extensive Content Sharing

- » Built-in media server turns your storage device into your multimedia hub.
- » Simply store your content on your StorCenter ix2, then listen, view and access your videos, files, photos and music from any compatible devices on your network.
- » Share files amongst **Windows®, Macintosh®, or Linux®** based personal computers.

Connect Multimedia Devices

- » **UPnP and DLNA compatible means the StorCenter ix2** will work seamlessly with digital products you may own or buy from different manufacturers allowing you to save, store and play all kinds of multimedia files
- » Easily share files from your StorCenter ix2 to other media devices including DMAs (digital media adapters), UPnP™ AV (i.e. stereo receivers, game consoles), iTunes™ Server, and PTP (i.e. digital cameras and picture frames).

Fast & Powerful

- » High performance 400MHz processor, 128MB memory, 7200 RPM SATA II drives (2) and GbE connectivity.
